FOOD SERVICES LTD.

## *Catering Arrangements*

*Dear Group Organizer,*

*Shirwood Food Services Ltd. wants to make your ski day a memorable one. Our Chef and his professional staff can prepare just about anything your group desires. For lunch, consider our "Taste of Italy Pasta Buffet" or our "Taste of East Stir Fry". When the lifts close, try one of our fabulous après ski combos. For those who like to snack, our cafeteria is always full of surprises to satisfy the most discerning of palates.*

*Custom catering starts with a simple phone call to our office. Once the menu is determined we will do all the work. All we need are for you to confirm the final numbers for each sitting 3 days before your event. This will be the number in which your group is billed for.*

*This is your special day and if you would like to set up an account for your guests in our cafeteria we would be happy to do so.*

*Whether your group is large or small we look forward to an opportunity to help make your day the best it can be. Simply call us at: (705) 445-0066 or (800) 367-9846.*

*Yours Truly,*
