

## Snowshoe Trail Map

### Descriptions

**Trail #1:** This trail works its way up the lower portion of ABC (the hill to the left of the Arrowhead Chair -looking up and then heads south between Craigleith and Alpine. This area is affectionately known as the Switch Back Trail. This trail is on shared property between Craigleith and Alpine and is also utilized by other snow sport traffic.

**Trail #2:** This trail is marked with orange paint on the trees and begins at the base of Lower Parade on the north side. Follow Parade to the top of the North Chair staying to the left; from here you can pick up another trail, which runs along the ridge to Georgian Peaks and Lorree Forest. Always follow the Snowshoe Responsibility Code.
